OTHER COMMENTS*****

This water right is based on shares of stock in the Brooklyn Canal Company.
This right will be valid so long as the shares are maintained.

This right is certificated for the purpose of providing water for the Fair Weather Homeowners Inc . Information submitted under the proof of beneficial use process indicated that while this subdivision is not fully occupied at this time, a complete water system has been constructed to establish standards to distribute water under this right to this subdivision. The applicant and proof engineer have stated that the quantity of water and uses described in the proof documents are the amounts required to satisfy final project development. Therefore, no water under this right can be changed or moved to any other beneficial use outside of this subdivision until complete occupancy and water use as described in the proof documents has occurred

SEGREGATION HISTORY*****

This Right was Segregated from 63-3003, with Appl#: , Approval Date: / / under which Proof is to be submitted.

This Right as originally filed:
